I wanted love
I needed love
Most of all, most of all
Someone said true love was dead
And I'm bound to fall, bound to fall for you
Oh what can I do, yeah.

Take my badge, but my heart remains
Loving you baby child
Tighten up on your reigns
You're running wild, running wild it's true

Sick for days so many ways
I'm aching now, I'm aching now
It's times like these I need relief
Please show me how, oh show me how
To get right yea its out of sight
When I was young and moving fast
Nothing slowed me down, oh slowed me down
Now I let the others pass
I've come around, oh come around
Cuz I found

Living just to keep going
Going just to be sane
All the while i know
Such a shame
I don't need to get steady
I know just how i feel
Telling you to be ready my dear
