My gears they grind
More each day
And I feel like
They're gonna grind away

And the city blocks
They drive me wild
They're never ending
Mile after mile

I just don't know what to do
I'm too afraid to love you

Heaven on Earth
Is in her embrace
A gentle touch
And a smiling face

I'm just one wishing I was a pair
With someone oh somewhere

I just don't know what to do
I'm too afraid to love you

All those sleepless nights
And all those wasted days
I wish loneliness would leave me
But I think it's here to stay
What more can I do
Cause I'm ringin myself dry
And I can't afford to lose
One more teardrop from my eye

I'm too afraid
I'm too afraid
I just don't know what to do
With myself

Thinkin all the time
Don't know what to do
Don't know what to do

Drivin me outta my mind
