We come from the land of the ice and snow,
From the midnight sun where the hot springs blow,
The hammer of the gods will drive our ships to new
lands,
To fight the horde, singing and crying:
Valhalla, I'm coming.

On we sweep with threshing oar,
Our only goal will be the western shore.
We come from the land of the ice and snow,
From the midnight sun where the hot springs blow,
How soft your fields so green
Can whisper tales of gore of how we calmed the tides
of war.
We are your overlords.
On we sweep with threshing oar,
Our only goal will be the western shore.

So now you'd better stop and rebuild all your ruins,
For peace and the trust can win the day despite all your
losing.
