Nobody knows
Nobody knows but me that I sometimes cry
If I could pretend that I'm asleep
When my tears start to fall
And I peek out from behind these walls
I think nobody knows
I think nobody knows

Nobody likes
Nobody likes to lose their inner voice
The one I used to hear before my life made a choice
I think nobody knows
Nobody knows oh no

Baby
Oh your secret's safe with me
There's nowhere else in the world that I could ever be
And Baby don't it feel like I'm all alone
Who's gonna be there after the last angel has flown
And I've lost my way back home
I think nobody knows
I said nobody knows

Nobody cares
It's win or lose not how you play the game
And the road to darkness has a way
Of always knowing my name
Cause I think nobody knows

Baby
Oh your secret's safe with me
There's nowhere else in the world that I could ever be
Oh oh baby don't it feel like I'm all alone
Who's gonna be there after the last angel has flown
And I've lost my way back home
And oh no no no
Nobody knows

Nobody knows
Nobody knows the rhythm of my heart
The way I do when I'm lying in the dark

And the world is asleep
I think nobody knows
I think nobody knows
But me
