i wake up in the morning with the sunshineing
and hear the waves crashing outside i wake
up my friend and say lets swim were ever
this life will take us

the sound of of an angel the sound
when a heart breaks in to the sound
of wisdom is the sound of bamboo

we walk down the secluded road like thousands
of times before and all in the desert air with
the sun
and its steary glare all down the road i hear
bamboo

the sound of of an angel the sound
when a heart breaks in to the sound
of wisdom is the sound of bamboo

the sound of innocents the sound of true the
sound of wisdom the sound of bamboo the
sound the waves made when they crashed in
on you the sound your angel made that day
was the sound of bamboo
