You wouldn't stop the lies
(Wouldn't stop the lies)
And you couldn't see the spite
(Couldn't see the spite)

You know how hard I tried
So many times, before
But now some things have died
And I don't know what
I'm fighting for

You call my name
But it ain't the same
I won't be there
'Cause I don't care anymore

You wouldn't stop your ways
(Wouldn't stop your ways)
And you couldn't see this pain
(Couldn't see the pain)

You know how hard I tried
So many times, before
But now some things have died
And I don't know what
I'm fighting for

You call my name
But you don't see
I won't be there
'Cause I don't care anymore

-Solo-

You know how hard I tried
So many times, before
But now some things have died
And I don't know what
I'm fighting for

You call my name

But it ain't the same
I won't be there
'Cause I don't care anymore

You call my name
But you don't see
I won't be there
'Cause I don't care anymore
