"Wonderful Life"

Well, you can bite the bullet

Breath in, breath out

Or be a victim all your life

Go window shopping

Save your money

Riches to rags overnight

It's a wonderful life

It's a wonderful life

You can join the family business

Serve behind the counter

Even have your name above the door

Join the order

Learn the handshake

You won't need protection anymore

It's a wonderful life

When you think it's over

You can look through your photos

Taken for prosperity and you'll find

Have an affair, get a new interest

Go into debt, go on the sick lists

Study at your leisure in your home

Get into shape, try to lose weight

Regain your confidence, control you fate

Victim of circumstance, look on the bright side

It's a wonderful life

It's a wonderful life

It's a wonderful life

It's a wonderful life
