I'm still alive but I'm barely breathing
Just praying to a god that I don't believe in
'Cos I got time while she got freedom
'Cos when a heart breaks no it don't break even

The best days of a summer far worse
She'll find a man and a man who's gonna put her first
While I'm wide awake she's no trouble sleeping
'Cos when a heart breaks no it don't break even
What am I supposed to do when the best part of me
was always you
What am I supposed to say when I'm all choked up
and you're ok
I'm falling to pieces yeah
I'm falling to pieces

They say that things happen for a reason
But no wise words gonna stop the bleeding
'Cos she's moved on while I'm still grieving
And when a heart breaks no it don't break even, even
ohhh
And what am I gonna do when the best part of me was
always you
And what am I supposed to say when I'm all choked
up and you're ok
I'm faling to piecesx3
I'm still alive but the other one's leaving
'Cos when a heart breaks no it don't break even

Oh you got his heart and my heart and none of the
blame
You took the suitcase - I took the blame
Now I'm trying to make sense of what little remains
Oh cos you left me with no love in order to remain
I'm still alive but I'm barely breathing
Just praying to a god that I don't believe in
'Cos I got time while she got freedom
'Cos when a heart breaks no it don't break no it don't
Break no it don't break even

And when a heart breaks no it don't break even, even

And what am I supposed to do when the best part of
me was always you
I'm faling to piecesx3
I'm still alive but the other one's leaving.
I'm faling to pieces
'Cos when a heart breaks no it don't break even
Oh it don't break even no, it don't break even no
It don't break even no
