Together we cry...  
Together we cry...

Jenny was a poor girl  
Living in a rich world  
Named her baby Hope when she was just fourteen  
She was hoping for a better world  
For this little girl  
But the apple doesn't fall too far from the tree

When she gets that call  
Hope's too far gone  
Her baby's on the way  
With nothing left inside  
Together we cry!

What about the John Play  
Could have gone the whole way  
Lighting up the stage trying to get a deal  
Now he's lighting up the wrong way  
Something for the pain  
Man you wanna see this kid he was so fuckin' unreal  
When he gets that call  
He's too far gone  
Can't get it together to sing one song  
They won't hear tonight  
The words of a lullaby

Together we cry...  
Yeah, yeah, yeah  
Together we cry...  
Whoa oh whoa oh whoa  
Together we cry...  
Oh we cry we cry we cry  
Together we cry...  
Oh we cry we cry  
Whoa oh whoa oh whoa

Oh... Mary's ambition, She wanna to be a politician  
She been dreaming about it since she was a girl  
She thought that she'd be the one who could change

the world  
Always trying to pave the way for women in a man's  
world  
But life happened, house, kids, 2 cars, husband hits  
the jar, checks that don't go very far now  
Now she ain't making changes, she keeps her mind on  
her wages  
The only rattling cages are her own!

Together we cry  
Together we cry

There's so much sad gonna flood the ocean  
We're all in tears for the world is broken  
Together we cry!

There comes a time when every bird has to fly  
At some point every rose has to die  
It's hard to let your children go  
Leave home  
Where they go?  
Who knows  
Getting drunk  
Getting stoned  
All alone  
Teach a man to fish, feed a man for life  
You show your kids the truth, hope they never lie  
Instead of reading in a letter that they've gone to  
something better  
Bet your sorry now! I won't be coming home tonight

I'm sick of looking for those heroes in the sky  
To teach us how to fly  
Together we cry, we cry!

Together we cry  
Together we cry

There's so much sad gonna flood the ocean  
We're all in tears for the world is broken  
Together we cry  
Together we cry
