"Goodbye Is Like Dying"

You shouldn't hurt me so bad
why do you make me feel sad
bring back the days with those smiling
can't stand the pain it's too much
my skin it burns when we touch
no one wins when we're fighting

i can't shut the door if forever's no more

saying goodbye is like dying
take me with you when you leave
baby you're the only one that i need
i'm trying and trying to
hate you, but i'm crying
because i love you
more than i should
goodbye is like dying

you were the light in my life
blew out the candles so bright
now we're waking a nightmare
how could luck ever leave eyes

come back and we're fighting

saying goodbye is like dying
take me with you when you leave
baby you're the only one that i need
i'm trying and trying to
hate you, but i'm crying
because i love you
more than i should
goodbye is like dying

i would spend if i could

saying goodbye is like dying
take me with you when you leave
baby you're the only one that i need
i'm trying and trying to
hate you, but i'm crying

because i love you
more than i should
goodbye is like dying
