

Screaming Monkey Boner "Masturbatorium"

Knee deep in a pool of cum, writhing naked tightly
bound,
Gazes fixed upon your cunt, in masturbatorium
Your pleasure is all mine, throbbing members keeping
time,
Flesh fold fondled inner thighs, dancing before my
eyes.

Dripping wet, slipping through, stains your skin, sticks
like
glue,
Crusty semen, residue, fully spent, through and
through
(chorus)
Carnal chamber, filled with lust
Spurting fluid, spasm thrust
Jacking off, sex dwarf cock,
Hid behind, iron locks
Nu Vatican of sin, housing miscreants within
Dreamfuck spellweave suck me in
To a succubus sultry grin
Knee deep in a pool of cum, writhing naked tightly
bound,
Gazes fixed upon your cunt, in masturbatorium
