Pardon me sir  
Is this seat taken  
I overheard you say  
Not stirred but shaken  
And I could really throw one back

Such a thirst doesn't always permit  
Forward tact  
So, if you would sir  
Pardon me  
A stiff one is my specialty

Strangers on a train  
Strangers on a train

Oh, you're very charming Sir  
Now here's to you  
I don't want to know your name  
Or what you do  
I know, here's to strangers on a train  
Strangers on a train

Oh, I think we're going faster  
From the mount to the pasture  
Just look at that scenery  
It's lovely  
It's lovely

I really like to ride the train  
Especially when I forget where I'm going  
I really like the way it feels  
The motion of the wheels

As the raging sparks are flying  
From the wounded rails still crying  
Battling the scenery  
It's lovely, it's lovely  
It's lovely, it's lovely

I really like to ride the train  
Especially when I forget where I'm going

I really like the way it feels  
The motion of the wheels

Mountain, meadow  
Oh, I... I'd better go  
This is my station, you know  
I've had a lovely time  
Oh the pleasure's mine  
All mine
