my eyes are all red  
for days i will cry  
i'm catching my tears,  
in my hand waiting for them to dry.

f\*\*k you u bast\*\*d  
i'm throught with being treated like s\*\*t  
and now it's all finished  
i'm throught with it

and i'm tired of hurting  
for you

i sat and waited by the phone  
waited for you to call  
but in my heart  
i knew you wouldn't at all

i hate you i hate you  
you wish i would die  
but wake up sweetheart  
im home and dry

and i'm tired of hurting  
for you

go and wank over some other bloke  
yer, you're so gay  
im so pissed right now  
don't care what you say

and even though i'm drinking  
the pain its still here  
no matter what i try  
and all i can hear

is you

i'm tired of hurting  
for you

f\*\*k off
