Wakin' up to tomorrow with a little help to clear my  
head  
What did I do? What did I try to do behind?  
Empty your pockets, tear out a page  
From a Paperback Bible, [Incomprehensible], oh yeah

Is there anywhere that I could go  
I would do much better today  
Find me outside in the cold  
Would you take me in or let me go?

Empty your pockets, tear out a page  
From a Paperback Bible  
Empty your pockets, tear out a page  
From a Paperback Bible, mercy's waitin' to find

(Oh, that is my peace of mind)  
Oh, my peace of mind  
(Oh, that is some piece of mind)  
Oh, I find, my peace of mind

Wakin' up to tomorrow hopin' it'll help to clear my head  
What did I do? What did I try to do behind?  
Empty your pockets, tear out a page  
From a Paperback Bible

Empty your pockets, tear out a page  
From a Paperback Bible  
Empty your pockets, tear out a page  
From a Paperback Bible, mercy is there to find
