It's taken everything
Everything I got and it's hung me on the line
Water rising up over me
And I think I'm gonna die, think I'm gonna die

I told a lie that's what I said
I told the one you know I'll always keep
Whose God is mine, whose God is mine, whose God is
mine
Whose God is, the one with the witness

Shine your lonely light on me
I'll be there to hold the mirror
I can take you down with me
Show you lonely, lonely, lonely

Death wastes no time it seems
And it's hung me on the line, hung me on the line
Hard rain fallin' all over me
And I think I'm gonna die, think I'm gonna die

I told a lie that's what I said
I told the one you know I'll always keep
Whose God is mine, whose God is mine, whose God is
mine
Whose God is, the one with the witness

Shine your lonely light on me
I'll be there to hold the mirror
I can take you down with me
Show you lonely, lonely, lonely

I told a lie that's what I said
I told the one you know I'll always keep
Whose God is mine, whose God is mine, whose God is
mine
Whose God is, the one with the witness

Shine your lonely light on me
I'll be there to hold the mirror
I can take you down with me
Show you lonely, lonely, lonely

Shine your lonely light on me
I'll be there to hold the mirror
I can take you down with me
Show you lonely, lonely, lonely

Lonely, lonely, lonely
