Is something about you that just made me feel
Like I had to get my,,,together, together.
What if is it true,
You don't know what you got 'till is gone,
And I just can't move on, yeah!

Girl I had my fair share of mistakes,
And I swear on my name, that I'm making a change,
girl!
And you've been through my ups and downs,
I'm still glad that you chose to stay around!

Chorus:
So I'll bathe in your love,
Just to wash away all the dirt that I done,
Girl I'll bathe,
So I'll bathe in your love,
In your love, in you love, in your love!

You're my fantasy, the woman of my dreams,
And I'm willing to make that commitment.
Cause we,
We create the sweetest melody,
Inspired by our memories.
Watch me,
Hold me tight and, my,
Elevate my love, make me lose control,
You don't have to rush a thing, gets slow.
I don't wanna be your playing no more,
I said I don't!

Chorus:
Girl I bathe in your love!
Just to wash away all the dirt that I've done,
Girl I'll bathe,
So I'll bathe in your love!

Babe you don't seem to be convinced that I'm,
All we have is conversations any time before,
Every time I stay away,
Gimmie, just to bathe in your love!

I never had a love as great as this,
I'm reminiscent, I'm really missing what made us kiss,
Soon as I get a real taste or bliss,
I had to take a risk, losing a friend, losing my
faithfulness.
... taking up,
, got to know you, and know we're breaking up.
But I'm waking up, cause I don't need to mess a,
Gimmie, that love back, and I'm gonna bathe in it!

Chorus:

So I'll bathe in your love,
Just to wash away all the dirt that I done,
Girl I'll bathe,
So I'll bathe in your love,
In your love, in you love, in your love!
