Look at these People
Amazing how sheeple
Show up for the slaughter

No one condemning
You lined up like lemmings
You lead to the water

Why can't they see what I see Why can't they hear the
lies
Maybe the fee's too pricey for them to realize
Your disguise is slipping, I think you're slipping

Now that your savior's
as still as the grave you're
beginning to fear me

Like cavemen fear thunder
I still havej to wonder
Can you really hear me

I bring you pain, the kind you can't suffer quietly
Fire up your brain remind you inside you're rioting
Society is slipping, everythings slipping away, so

go ahead run away
say it was horrible
spread the word tell a friend
tell them the tale

get a pic do a blog
heroes are over with
look at him not a word
hammer meet nail

then I win then I get
everything I ever
all the cash all the fame
and social change

anarchy that I run

it's Dr. Horrible's turn
you people all have to learn
this world is going to burn burn
(yeah it's two R's, h-o-r-r yeah right) burn!

no sigh of penny good
I would give anything not to have her see

it's gonna be bloody head up billy buddy
there's no time for mercy

here goes no mercy-
That's not a good sound
