nick your a faggot, you cant ryme worth a fuck, stop
tryin to diss my shit, just stick it up cory's butt
what the fucks wrong with this kid? he thinks he can
fuck me up, when in all reallity, this man is a cunt
you mother fuckers herd it hear, the secert has been
revealed, he'll probally shed a tear cuz, hes, a fuckin
queer

how bout that, pull the chain, rev up the saw, tear you
up, like skate boards at the mall, grind your face, like i
told kc slow yo pace, in rap i draw the picure ,all you do
is trace, your the reason why, people call us crackers,
pull up on the ped, wind up an smack ya, you said i
should, put it to the test, heres a tip, quit now, and you
wont die like the rest, theres no reason why, you need
to die to, hudinie was the first and the final one, is you,
your like 50 cent, your a fuckin poser, run your ass
down, with, a bull dozer, true composer, that'd be me,
dont even try it, rip of your head, show your brain, and
fry it, i love talkin shit, i still have another.....i
fucked your mother.
