Welcome back to Bentley, now were in 8th, were th top dogs, so please dont hate, this is the last day so i gotta say all those sh*thead teachers are gonna pay. First off is Bachinski that dyke aint no chick, she shouldnt where those shorts cause i can see her d*ck. Ill dribble all around her then shoot for three o wait a second i gotta go pee, ok im back now to finish the job il murder her quietly like Silent Bob.

Now Onto Coffee Ill Grind His Balls Like Beans, he doesnt belong in class, he should stay in the machine, he ought o bruch them teeth his breath smells ike s*it, if not ill have to uppercut him straight into the pit, Finish Him, hope he burns in hells fire oh yeah heres a pink slip your f**kin fired

And dont think i forgot about that little b**ch Maleck, I wrote F*ck You on my homework and told her you can have it she needs some of that slim fast in the yearbook all i could see was a pic of her fat a*s. She Needs some Prozac so she can chill that @ss out before i whip out johnson and spray on your snout

Now you know whos next its time for the finally I wont just kill him ill get his whole family, Lindhurst your a pu\$\$y, say your prayers but even god cant save you from the s*it youre about to hear we know you get a woody from the hot chicks but theyre a quarter of your age aint that some shit? Stay off our Kool Aid motherf*cker you aint nuthin but gay thats prollywhy colby got all a's you two are a buttf*ckin brady bunch u prolly suck eachothers d*cks for lunch its a hunch but i seen the pubes in your teeth, so dont ever think you can end this beef
