Tell the cook
Sleeping giants
Keep on waking up
You said
You're a young man
There's nothing wrong
Please forgive me
But my day is long

Keeping quiet
I am shaken up
Sleeping giants
Keep on waking up
I'm a liar
I'm a thief
Please forgive me
It has been such a long week

Oh, I am telling the truth
Oh, no I can't give you the proof

So many distractions
I can't concentrate
No sudden movements
I must keep awake
Keep on watching
I must listen out
Sleeping giants
May be up and about

Oh, I am telling the truth
Oh, no I don't have any proof
