Last night  
You were given a warning  
Simple and clear  
You chose to ignore it  
We've been here before  
We've been here before

Before every day  
A morning  
Before every mistake  
A warning  
We've been here before  
Boot to face, face to floor

Oh, now the monsters are loose again  
Oh, the monsters are loose, my friend  
We smell blood, we are simple men  
And we are falling from great heights  
Did you ever feel that way?  
Did you ever feel that way?

You shut your mouth  
I've heard all your stories  
So this is how you break down  
No drama, no glory  
Is this all that remains?  
Just the smoke, not the flames

Oh, now the monsters are loose again  
Oh, the monsters are loose, my friend  
We smell blood, we are simple men  
And we are falling from great heights  
Did you ever feel that way?  
Did you ever feel that way?

Oh, now the monsters are loose again  
Oh, the monsters are loose, my friend  
Now we smell blood, we are simple men  
And we are falling from great heights  
Did you ever feel that way?  
Did you ever feel that way?
