Y:  
Heigh ho!  
Do you know,  
The names of the US Residents  
Who then became the Presidents  
And got a view from the White House loo  
Of Pennsylvania Avenue  
George Washington was the first, you see  
He once chopped down a cherry tree  
D:President number two would be  
John Adams and then Number three  
Y:Tom Jefferson stayed up to write  
The Constitution late at night  
So he and his wife had a great big fight  
And she made him sleep on the couch all night  
W:James Madison never had a son  
And he fought the War of 1812  
D:James Monroe's colossal nose  
Was bigger than Pinocchio's  
Y:John Quincy Adams was number six  
And it's Andrew Jackson's butt he kicked  
So Jackson learns to play politics  
Next time he's the one that the country picks  
D:Martin Van Buren number eight  
For a one term shot as chief of state  
Y:William Harrison, how do you praise  
That guy was dead in thirty days!  
W:John Tyler he liked country folk  
D:And after him came President Polk  
Y:Zachary Taylor liked to smoke  
His breath killed friends whenever he spoke  
W:1850, really nifty  
Millard Fillmore's in  
Y:Young and fierce was Franklin Pierce  
The man without a chin  
D: Follows next a period spannin'  
Four long years with James Buchanan  
Then the South start shootin' cannon  
And we've got a civil war  
YW
