Yakko: In Hollywood they have a different language that they speak

It's spoken by those folks who went to school for just one week

Dot : It's found inside Variety, a magazine they use

Y+D : And no one understands it when they read the movie news.

Dot : Like "Hix makes pix but the flick needs fix"

Yakko: Means someone made a movie that bombed

Dot : "The veeps in charge are now at large"

Yakko: Means everyone involved is gone.

Dot : "The plot conflux; no beautiful chix"

Yakko: So it's coming out on video soon

Dot : They're "taking their lix"

'Cause the critics say "nix"

Yakko: And the editors are gonna try to fix it in the mix.

Dot : But the "stock sees green" on page thirteen

Yakko: Means Disney's up a nickel a share

Dot : "Stallone cuts deal for a major reel"

Yakko: Means Rocky number six, so beware.

Dot : If you want the "poop"

Yakko: Or you need the "scoop"

Y+D : On Hollywood town this week

You're gonna have to learn to talk that Variety Speak!

Girls: Bob-a-doo-bop! A-bob-a-doo-bah!

Bob-a-doo-bop! A-bob-a-doo-bah!

Dot : "A boffo smash makes Warner cash"

Yakko: Means there's gonna be a sequel next year

Dot : But "Paramount hurts and they're losing their shirts"

Yakko: Means Schwarzenegger's doing King Lear.

Dot : "Oliver Stone does next Home Alone"

Yakko: Means he's getting paid an arm and a leg

The budget goes "crunch"

Dot : But his name "packs punch"  
Yakko: So they called up the accountants and they're  
gonna "do lunch"!

Dot : Well, the "ratings smile" on the O.J. trial  
Yakko: Means a movie of the week to premiere  
Dot : "Universal cuts deal with Mister Spiel"  
Yakko: To do a hundred thousand movies a year.

YW+D : You gotta play it smart  
If you wanna be part  
Of the crowd that's hip and chic  
You're gonna have to learn to talk that Variety Speak!

Girls: Bob-a-doo-bop! A-bob-a-doo-bah!  
Bob-a-doo-bop! A-bob-a-doo-bah!

Yakko: Normal talk makes producers walk  
Y+D : You might as well speak Greek  
You're gonna have to learn...  
Wakko: Or the meeting will adjourn...  
YW+D : Unless, my friend, you learn that Variety  
Speak!

Girls: Bob-a-doo-bop! A-bob-a-doo-bah!  
Bob-a-doo-bop! A-bob-a-doo-bah!

YW+D : Bah-doop-bah-doop-bah-doop-bahhh-dah!
