Yakko: Hey, look at this store!  
Wakko: There's movies galore!  
Dot : We've seen 'em a thousand times over before  
YW+D : And that's why our brains don't work anymore!

Yakko: "The Player" is a movie  
About finding fresh new scripts  
Like "Rambo 3" ...  
And "Rocky 5" ...  
And "Star Trek" Number 6.  
Dot : Eva joined with Zsa Zsa  
And they formed a "Sister Act"  
But both were "Unforgiven"  
Because neither one could act.

Wakko: "The Hand That Rocked The Cradle"  
Once belonged to "Hook", you see  
But it got bored and so it joined  
"The Addams Family".  
Yakko: "Amadeus" was a genius  
"Beethoven" was a dog  
The "Muppet Family Christmas"  
Is about a pig and frog.

Dot : There was a sled named Rosebud  
And a "Citizen" named "Kane"  
He rode it 'til the snow was melted  
Now he's "Singin' In The Rain".  
Wakko: The "Princess Bride" got married  
To the handsome "Prince Of Tides"  
Which now makes her dad, "The Fisher King",  
The "Father Of The Bride".  
YW+D : And pretty soon you'll find them all  
Inside the "TV Guide"  
Along with all the stars you like to see!

Dot : Like Hitchcock and Spielberg and Oliver Stone  
Yakko: Shirley MacLaine and Sylvester Stallone.  
Wakko: Francis Ford Coppola, Hepburn and Tracy  
Dot : Robert Zemeckis and Martin Scorsese.  
Yakko: Clint Eastwood, John Wayne, Woody Allen and

Mia

Wakko: Robert Deniro and Andy Garcia.

Dot : Sophia Loren, Barbra Streisand, Joan Crawford

Yakko: Paul Newman, Rock Hudson, Spike Lee, Peter Lawford.

YW+D : Jack Nicholson, Brando, and Marilyn Monroe...

And that's all the people we know!

---

Cast : We're glad the dinosaur is gone

He was an easy mark

But if we ever miss him

We can rent "Jurassic Park".

So when it comes to clunkers

Like "The Babe" or like "Presidio"

YW+D : Don't pay \$7.50

Just catch 'em on home video.

As for us it's bye-bye time

So long now, toodle-oo.

We've had quite enough of this

Cast : Video revue!
