Is this what you want?
Pistol packing, heavy toeing
Fuck them niggas, I don't know them
Lot of money, no respect, get in,
I cut the check in the face and come out as neck!
That's what I call rap!
Hurt at the body drop, give his momma a palm
A...give his bitch a scripture
Have them look A...
Give his six friends gloves, to put that bitch in theA...
You want in the dirt? go to war withA...
Who are you to tell them kids what they can't and
can't serve at?
You was in the streets, but I put you where the curve at
Nobody gives a fuck, they all say he deserve that
Plus, this paper working and the county say he's a
total whack
Loyalty is what we live by, respect is what we die for
We ain't clapping niggas no more, we give them
encore!

Hook:

I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight?
I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight?
I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight
I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight?

I pull a pound from the drugs, give them a round of
applauds
Ready to murder the whole circus, are you clowns
picking them off?
Fuck us! Don't let that little fiend do that!
You niggas gotta get shut at before they shoot back!
Life's just a... till the body is berried,
Nigga, we play your fucking clocks, doing dirty with
Harry,
Nigga, fuck you! The sad part, I really used to love you

But a word about them niggas on your ass is that I has
to
Roll away that... you gonna put that working!
Fucking on everything you dirty niggas was hurting
Come on through the strip, load the... I put that work in
You niggas ain't ready to dance with the devil, so stop
flirting!
The Lord, colorful you boys, just pack the church in
Bring the... another person!
No need to bring the nurse in!
Gimmie a day... in the...
Punish us win, until it's made back... what's up?

Hook:

I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight?
I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight?
I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight
I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight?

It's like damn! I ain't seen your ass in a minute
I'll be busy and fuck, all this money I'm getting
And man I'm good, man I'm entertained
Learn to get it from the muscle,
Niggas certified the person who trained it
Put down some youngers on the corners,
Trying to stretch it like a...
Intellect is imperative, watch out for the...
You know all them niggas who be acting like them
bitches
Once they get down to that district, they'll be
stitching, stitching, stitching, uh!
Know what it is, when I see the momma handle that
...rip him to his face, act like a camel back
Thirty six, that's a prick,... can you handle that?
We fly them birds like them birds bring a... back!
I ain't a head buster, I'm a bread toucher
Which means I got the cream to get your head
mustered
They say the streets miss me, I don't miss the streets
Face friends, them boy's loss, Mr. Cheats!

Hook:

I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight?
I'm a head buster, I'mma, I'mma head buster
Somebody afraid to die tonight?
I'm a head buster, I'mma, I'mma head buster

Somebody afraid to die tonight
Iâ'm a head buster, Iâ'mma, Iâ'mma head buster
Somebody afraid to die tonight?
