california sucks california sucks it's worse than old  
new york filled with scum + wealthy worms + stupid  
surfing dorks hot tubs and ja'causezi's and swaying  
green  
that makes you sneeze california sucks! california  
sucks  
palm trees rockstars, assholes, sleazy broads + smog  
can bet i never will california sucks - just look who  
you've  
with all the cash they make california movie stars  
strung  
the people there are fake they can buy their plastic  
lives  
produced ronald reagan, jerry brown and countless  
other  
out on sleeping pills no - i've never been there and you  
fools west coast sun-tanned morons - you don't know  
how  
to think i can't wait til your state erodes and  
you fall into the drink
