ding bat  
she's a ding bat

always walking into trees  
wakes me up to ask if im asleep  
sits around, stares into space  
oh god i hate her face cuz she's a

ding bat  
she's a ding bat

the dumbness really bothers me  
brainless questions constantly  
i wish she'd shut her mouth, give me a break  
oh god i hate her face, i hate her face

ding bat  
she's a ding bat

she lives alone in her own world  
naive, wat a little girl  
doesnt care the worlds a mess  
such a waste of flesh, a waste of flesh

a waste of flesh  
a waste of flesh  
a waste of flesh
