Try and tell us our future's at stake  
We're gonna slam dance on your grave  
Cause we don't give a shit about tomorrow  
You say we're a bunch of lazy bums  
We just wanna act stupid and have some fun  
Cause we don't give a shit about tomorrow  
Hey suburbia (x3) We're in love with you  
We won't end up like you want us to be  
But so what cause we're always gonna be happy  
Cause we don't give a shit about tomorrow  
Tell us we'll regret the things we did  
But we're just gonna give you a big wet kiss  
Cause we don't give a shit about tomorrow  
Hey suburbia (x3) We're in love with you  
Hey suburbia (x3) We're in love with you (x2) (repeat till  
end)
