i'm on a mission i'm in position i'm on a fucking roll
you ain't seen nothing i'll show you something out
of fucking control i don't go back because my back's
against the wall solutions don't mean shit to me 'cause
i don't even give a fuck at all i don't want anything
from you i just wanna be left alone i'll do it my way
anyway's better than your way on my own my fist is
smashing up against these walls i won't relax and take
a deep breath i don't give a fuck at all
