I need therapy
I need therapy I need therapy oh yeah
I need therapy I need therapy oh yeah
My girlfriend left today
When I said "But I love you babe"
She just kicked me in the face
Oh yeah I'm so depressed- I need a shrink!
I need therapy I need therapy oh yeah
I need therapy I need therapy oh yeah
O.D.'d on The Ramones
Cause I just sit around at home
And bitch and whine cause I'm alone
Oh yeah I'm so depressed- I need a shrink!
I need an institution- think!
There ain't no solution- think!
The U.S. Constitution- think!
I need therapy I need therapy oh yeah
I need therapy I need therapy oh yeah
O.D.'d on Mr. T
I sit around and watch TV
And now I think I got VD
Oh yeah I'm so depressed- I need a shrink!
