MURDER IN THE BRADY HOUSE

by

SCREECHING WEASEL

(Time wasted by : IAMHOLTZ@oak.grove.iup.edu)

Bobby Brady's stealin' crack, Marsha's on the pill

Mike's in bed with Alice

Sam's cutting dogs up at his meat shop

Brady's tried on dollar bills and Peter spent two nights
in jail

Murder in the Brady House

Cos Jen Brady couldn't stand it

Murder in the Brady House

Things were just too great

Murder in the Brady house

Someone had a brain

Cindy called Janice a stinker for playin' ball inside
house

Taddle-tail while Alice kissed the post man on the
mouth

Blood is on the TV screen and guts are on the stairs

Murder in the Brady House

And no one even cared

Murder in the Brady House

Things were just too great

Murder in the Brady House

Someone had a brain

(repeat first verse)

(repeat chorus)
