Visit "[Pretty Girls Don't Talk to Me](#)" on MotoLyrics.com

Pretty girls oh oh yeah see them walking down pretty
street
Pretty girls pretty girls pretty girls pretty girls
But you know pretty girls oh oh yeah never wanna talk
talk to me
Pretty girls pretty girls pretty girls
don't talk to me

Oh yeah I'm getting old and fat and it seems
don't talk to me

right through me
That everywhere I turn pretty girls just pass me by and
stare
Pretty girls...
Pretty girls oh oh yeah look fresh and bright and pure
and so clean

But you know pretty girls oh oh yeah would never
associate
Pretty girls...
with scum like me

Pretty girls don't talk to me [x4]
