

Screeching Weasel

"Totally"

Visit "[Totally](#)" on MotoLyrics.com

I totally drool when I think about you

Totally neat totally sweet

Totally knocked me off my feet

Totally rad but it's too bad

You're not aware of all my plans

I totally lust when I see you around

The Belmont bus takes me right by your house

Totally neat totally sweet

Totally knocked me off my feet

Totally lame that you won't say

You'll hang out with me every day

I totally love everything about you

Screeching Weasel Totally
