

Screeching Weasel "Waiting For Susie"

Visit "[Waiting For Susie](#)" on MotoLyrics.com

We're gonna be here all night
Susie is taking her time
as if we're going
somewhere we get all spiffied up
and wait for her to
drive up like we're
actually real people
sometimes I wish we were not so
naive we sit around
and wait for her
why do we wait for her?
Susie knows that we're losers
Susie knows that we're hooses
and yet she always
shows up I don' tknow
why we bother to even take a shower
she'll just say hi
and walk away
sometimes I think we should just slit our wrist
we sit around and wait
for her why do we wait for her
