Screeching Weasel 7"

"You Broke My Fucking Heart"

The American Dream (Weasel)

Oh say can you see the star spangled banner flying can  
you see everyone holding  
hands and brightly smiling well I see rioting and I see  
bodies in the streets  
in the future of the american dream I can see the  
american dream

Mary Was an Anarchist (Weasel)

Mary was a girl with a cause she was simply fed up  
mary moved out to berkeley  
and stuck pins her face as a sort of statement against  
oppression of her sex  
mary took a walk in the park with a sign in her hand  
mary threw a rock at a  
cop and man she felt like a man and you know the  
ugliness became her but now  
she's gone she couldn't take it anymore and what's she  
won she won a husband  
who embodies everything she hated and all her friends  
from years ago are  
selling stocks in ibm right on mary finally saw she  
couldn't change the world  
but mary often fondly looks back and pats herself on  
the back for a convenient  
romanticized version of the facts of what she'd done  
but she didn't change a  
goddamn single one of the oppressive pigs who made  
her what she was and the  
empowerment she felt was just a crumb compared to  
all the butts of jokes  
that she'd become and now she's at the kitchen table  
all alone and she ended  
up exactly like her mom

Around On You (Weasel/Vapid)

You think you've got something over some kinda thing  
over me well there's gonna  
come a day when I can leave it all behind if you'd open  
up your eyes you'd see  
that doing all the stupid things that you do means  
there's gonna come a day

when you're gonna fade away and it's gonna come  
around on you you'll be  
crying slowly dying when the day comes creeping up  
on you there will be a day  
when you won't believe it's true it's gonna come around  
on you  
Goodbye to You (Weasel/Vapid)  
Goodbye to you and the stupid things you do goodbye  
to you goodbye to  
everything that you do goodbye to you it's always  
goodbye to you
