I can see a war, burning in your eyes
I've whorred myself for less than this,
You gotta sh-sh-shake on it.
We will never fall, never stand aside
I've whorred myself for less than this,
You gotta sh-sh-shake on it.

We've come to far,
You'll never take our souls alive
I've come for you
We will, WE WILL SURVIVE!
I've come so far,
So take your poison dressed in wine
I've come for you
We will, WE WILL SURVIVE!

I've seen your kind before, feeding off the lies
I've whorred myself for less than this,
You gotta sh-sh-shake on it.
You stumble and you fall, you never realize
I've whorred myself for less than this,
You gotta sh-sh-shake on it.

We've come to far,
You'll never take our souls alive
I've come for you
We will, WE WILL SURVIVE!
I've come so far,
So take your poison dressed in wine
I've come for you
We will, WE WILL SURVIVE!

Pray for a quick death!
Pray for a quick end!

We've come too far,
WE WILL SURVIVE! WE WILL SURVIVE!

We've come to far,
You'll never take our souls alive
I've come for you

We will, WE WILL SURVIVE!
I've come so far,
So take your poison dressed in wine
I've come for you
We will, WE WILL SURVIVE!

I've come so far, I've come for you
WE WILL, WE WILL SURVIVE!

Bring it back again
Always and forever
Bring it back again
FOREVER!
