

Blackout, The "Hope"

Give up; give in, cause you know you'll never
Become something just the same as ever
You won't fit in, that's just how it goes
Breathe in, walk out, let anybody out the door

The dawning of the shine when every turn you take is
mine
With the fear of never making it alive

(Woah)
Never give in; hope is all we have and
All we've ever known,
(Woah)
Never feel it, but you've gotta hear me out
(Woa-oah)
So scream it out loud!
And scream it out loud!

We will be back (always left you proud)
We will sing up (we will shout it loud)
We can, be strong, when it all comes down
We won't move on, we will always stick around

When you're running out of times when everyone you
see is blind
Take your hopes that you still dream about inside.

(Woah)
Never give in; hope is all we have and
All we've ever known,
(Woah)
Never feel it, but you've gotta hear me out
(Woa-oah)
So scream it out loud!

Never give in; hope is all we have and
All we've ever known,
(Woah)
Never feel it, but you've gotta hear me out
It's all we've ever known
(Woah)

Never give in; hope is all we have and
(Scream it out loud, scream it out loud)
All we've ever known,
(Scream it out loud)
(Woah)
Never feel it, but you've gotta hear me out
(Scream it out loud)
(Woah)
So scream it out loud!
