well i got no doubt about it  
cause i see your eyes are hiding that you know

don't let this carry on to long  
never learn never learn to go on

ye it came out of nowhere  
and you said that you just don't care you let it grow

i hope the days and nights spent by your side  
hope you realized realized just what you've done

YOU SAID YOU SAID  
YOU SAID YOU WANTED ME

when everything is said and done  
we won't be here tomorrow

you made your bed sleep tight my love  
i hated you for sorrow

give me something to believe in  
because this bullshit left for seeking for something  
more

we fall the time we spread those lies  
the day i got hipmitized in your eyes

and you're someone to sick my teeth in  
so you can know how feel for far too long

it's not what you know  
it's what you want  
it's what you SHOUT

YOU SAID YOU SAID  
YOU SAID YOU WANTED ME

when everything is said and done  
we won't be here tomorrow

you made your bed sleep tight my love  
i hated you for sorrow

YOU SAID YOU WANTED ME [x2]  
YOU SAID YOU WANTED ME DEAD!

YOU SAID YOU WANTED ME [x2]  
YOU SAID YOU WANTED ME DEAD!

when everything is said and done  
WE WON'T BE HERE

when everything is said and done  
we won't be here tomorrow

you made your bed sleep tight my love  
i hated you for sorrow

when everything is said and done  
we won't be here tomorrow

you made your bed sleep tight my love  
you brought me pain and sorrow

YOU SAID YOU WANTED ME [x2]  
YOU SAID YOU WANTED ME DEAD!

YOU SAID YOU WANTED ME [x2]  
YOU SAID YOU WANTED ME DEAD!
