Please don't say, it's over today.
I never wanted to walk away.
I never asked to anyway.

Please don't make, don't make this mistake.
I'm too afraid to walk away.
Do I have what it takes to stay?

We're silent (we're silent)
We're silent when we speak.
We're silent (we're silent)
We're silent when we speak.
We're silent, it's killing me.
We're silent, it's killing me.
Time and time again.
Time and time again.
Time and time again.

So take my hand, I'm falling to pieces.
Help me understand, I want to believe.
When the end began.
(I can't be on my own)
When it all turned into sand.
(Don't leave me alone)

We're silent (we're silent)
We're silent when we speak.
We're silent (we're silent)
We're silent when we speak.
We're silent, it's killing me.
We're silent, it's killing me.
Time and time again.

We're silent (we're silent)
We're silent when we speak.
We're silent (we're silent)
We're silent when we speak.
We're silent, it's killing me.
We're silent, it's killing me.

Time and time again.

Please don't say,
Time and time again.
It's over today.
Time and time again.
I never wanted to walk away.
Time and time again.
I never asked to anyway.
Time and time again.
