Blackout, The "Spread Legs Not Lies"

Visit "Spread Legs Not Lies" on MotoLyrics.com

I now see your disguise
I'm hiding from you
and all your lies
are coming true
the tales have now begun
I'm lying to you
and your serpents tongue
is coming through

Close your eyes and swallow time is on your side I will make you feel so hollow time is on your side so lay down for me time is on your side and feel so hollow

I now see your disguise
I'm hiding from you
and all your lies
are coming true
the tales have now begun
I'm lying to you
and your serpents tongue
is killing you

Everybody knows that you're a liar it is time to fight with fire
