This feelings fading fast and it's getting hard to hold,  
Cause I believe in every word  
Although the rumours have been told about you and  
Never thought it would ever end up like this  
That you'd be the one, that you'd always miss  
That you'd always miss, that you'd always miss

Looking for the one way out  
Waiting for the last goodbye  
How could you say  
(Never knew, never knew it was coming, no)  
How could you say  
(Never knew, never knew it was coming, no)

You've always felt this way  
Why was I the last to know  
Yeah I believed it every day  
We were on the same damn page and maybe I  
Never thought it would ever end up this way  
Never thought I would ever just walk away  
Just walk away, just walk away

Looking for the one way out  
Waiting for the last goodbye  
How could you say  
(Never knew, never knew it was coming, no)  
How could you say  
(Never knew, never knew it was coming, no)

Looking for the one way out  
Waiting for the last goodbye  
How could you say  
(Never knew, never knew it was coming, no)  
How could you say  
(Never knew, never knew it was coming, no)

(bridge)

(One way out, last goodbye) How could you say  
(One way out) How could you say  
(Last goodbye)

Looking for the one way out (One way out)  
Waiting for the last goodbye (Last goodbye)  
How could you say (One way out)  
(Never knew, never knew it was coming, no) (One way  
out)  
How could you say  
(Never knew, never knew it was coming, no) (Last  
goodbye)

Looking for the one way out (One way out)  
Waiting for the last goodbye (Last goodbye)  
How could you say (One way out)  
(Never knew, never knew it was coming, no) (One way  
out)  
How could you say  
(Never knew, never knew it was coming, no) (Last  
goodbye)

How could you say (One way out)  
(Never knew, never knew it was coming, no) (One way  
out)  
How could you say  
(Never knew, never knew it was coming, no) (Last  
goodbye)

How could you say (One way out)
