This city seems so cold;
The bitter wind has blown your heart into a storm
But you just need to say
(On and on and on and on and on) Yeah
But you just need to say
(On and on and on and on and on) Yeah!

No you're not alone (No you're not alone)
No you're not alone (No you're not alone)
You save me (save me)
You save me (save me)

You're walking on your own
But you don't really know
Where you need to go
But you just need to say
(On and on and on and on and on) Yeah
But you just need to say
(On and on and on and on and on) Yeah!

No you're not alone! (No you're not alone)
You know you're not alone (You know you're not alone)
You save me (Save me)
Save me (Save me)
No you're not alone (No you're not alone)
You know you're not alone (You know you're not alone)
You save me (Save me)
You save me (Save me)

On and on and on you're all I needed
Oh you know, you know it's all we've got
Know I'll be there just to stop the bleeding
Know you'll be there waiting for the drought

Know you're not alone
You know you're not alone (you know you're not alone)
You save me (you save me)
You save me (you save me)
You know you're not alone
You know you're not alone
Save me (save me)

You save me (save me)
