Aye yo  
This my girls song  
Its called my lady

Lets do it!

More than all my kicks  
More than all my clothes  
More than all my friends  
More than all my flows  
More than everything

Cuz you were there for me  
Just like you said you'd be (Just like you said it)  
Thru my darkest day  
My coldest night  
Kept hold me tight  
You said I'd be alright  
I wish i could turn back time to when you were mine

(that's my lady)

When im with you i feel  
I can do anything  
I can just spread ma wings  
I can just say some things  
Becuz i feel comfortable  
When im around you girl  
So we can do wot you like  
Its me and you against the world  
Ever since the day you came  
I haven't felt no pain  
Ill never be the same  
Now i know i love you

More than all my kicks  
More than all my clothes  
More than all my friends  
More than all my flows  
More than everything

Cuz you were there for me  
Just like you'd said you'd be (Just like you said it)  
Thru my darkest day  
My coldest night  
You'd hold me tight  
You said I'd be alright  
I wish i could turn back time to when you were mine

(that's my lady)

Yo

2 words  
Me and you  
Lets just gets away  
Far away from it all  
Lets find a better day  
Everythings alright  
We talked all night on the phone  
Lets go just us all alone  
I know i was unsure before but now i see  
I love you more

More than all my kicks  
More than all my clothes  
More than all my friends  
More than all my flows  
Cuz more than everything

You were there for me  
Just like you said you'd be  
Thru my darkest day  
My coldest night  
You'd hold me tight  
You said I'd be alright  
I wish i could turn back time to when you were mine

Now lets freak em on this one Jo Jo

I never thought you wud be  
Everything that i need  
Everything that i ever wanted  
In you i can see  
And then we made love  
From the car to the house  
To the hall on the wall  
From the floor to the couch  
Then i went away on tour  
And you said you missed my touch  
I reply i love you  
And you asked me how much

More than all my kicks  
More than all my clothes  
More than all my friends  
More than all my flows  
Cuz more than everything

You were there for me  
Just like you'd said you'd be  
Thru my darkest day  
My coldest night  
You'd hold me tight  
You'd said I'd be alright  
I wish i could turn back time to when you were mine

(that's my lady n' i love you more than all those  
material things, I'd give it all up for you...don't forget  
that)
