Ayo, Auxiliary cops be grillin' me out patrol cars  
Why's my chain so big with no job?  
Remain so jig with no scars, infinite names  
Ain't it funny how the innocent change?

Used to be kinda quiet  
A whole different way, fake permit in my wallet  
Until the shit expired  
Learned to drive at age twenty-five

See I used to catch cabs  
Smokin' lye while my girl fuck with mesc tabs  
Do anything just to laugh  
I'll cop anything to to have

Rock it once, put it in a hustlers path  
I got signed with no rhymes wrote  
Wrote it quick, throwin' rhymes out for free  
So y'all could know my shit

Know my zip, 11101  
Pretend thug niggas own one gun  
Bust shots and don't run  
Late nights the police don't come  
And if you still don't know where I'm from

10th street  
(96th and Spellman)  
12th street, Vernon  
(Queensbridge)

The pub, the hill  
(Long island City)  
The thugs  
(Thugs everywhere)  
It's real, the love  
(Organized crime)

Livin' life on the edge way back  
Now I get money and stay black  
Some find it funny, others hate that  
Reason why the angers developed

Put a shell up in the chamber  
Let the gun smoke from the Nine I tote  
Bassheads numbed off coke  
A rib got broke, police slid

Yo, yo, you see what they did?  
A lot of money to be made, now they raid the spot  
Niggas engagin' to pop shots, aimin' to drop cops  
The block's hot, niggas on the roofs of houses

There's a thousand niggas with schemes for gettin'  
figures  
The Bridge blossoms with gossip  
Chicks who cock suck, niggas who hardly wash up  
And they light as paper weight

I guess it's safe to say my hood's got tradition  
Q.B. Cobolition, while you be tryin' to listen  
Regardless of the district we ballin' on a mission  
At any given moment I destroy competition

10th street  
(96th and Spellman)  
12th street, Vernon  
(Queensbridge)

The pub, the hill  
(Long island City)  
The thugs  
(Thugs everywhere)  
It's real, the love  
(Organized crime)

Fuck, I hate 'em and the Fourteenth will put the  
chamber  
To their brain and bang 'em, you violatin' Q.B. had to  
lay 'em  
I'll serve you if you onto that, hit 'em up with all of that  
Seventeen, applaudin' they gat, I wrote a song to that

Twist the erb, dispose of that sack, ain't no more of  
that  
It's 2:30 am black, where ya Daughter at?  
The truth hurt, now I'm up in shorty boo's skirt  
Take a sip of Jack D and relax G, it attracts me

You wanna know who's Donnin' these hoes? Just ask me  
The way the jewels flash makes 'em wanna be nasty  
Cuban Link cable, Dom Peri on the table  
Look unstable, now I see why Brother Cain killed Abel

Love thy neighbor, we can live in the World  
That's your Man Fifty Grand till he fucks your Girl  
Now it's all out war over that Whore  
Deja vu got you buggin' 'cause you know you saw this  
before

10th street  
(96th and Spellman)  
12th street, Vernon  
(Queensbridge)

The pub, the hill  
(Long island City)  
The thugs  
(Thugs everywhere)  
It's real, the love  
(Organized crime)
