Walking in the street  
Starring up to see  
I know that you are still with me

Reminding of these  
Word that speaks within  
You've change everything in me

Chorus:  
I close my eyes and pray  
I will not turn away  
Wherever I go, I'll follow You

Strengthen my heart to stay  
No matter how hard it may  
Whatever I do, I commit all to You

Whisper to my ears  
Breaking all of my fears  
I'll find you are all that I need

When darkness fills my heart  
Still won't fall on it  
Cause greater is He who's in me

Bridge:  
Reaching my hand to stand  
Forgetting all that I am  
Then show me how  
I'm gonna live again

As I walk through the valley  
Lord, keep my hands in purity
