A life without you
I cannot move, I cannot breath
And IÂ'm calling to you
But I cannot hear, I cannot see
Sometimes I feel so lost
Cause nothing seems to go
On my own way

A life without you
I cannot move, I cannot breath
And IÂ'm calling to you
But I cannot hear, I cannot see
Sometimes I feel so lost
Cause nothing seems to go
On my own way

Chorus:
Life is so short
Never try to waste it anymore
Come and live a life
That please the Lord
DonÂ't refuse to make a stand
On what is right
Cause we are walking in His Light

Oh IÂ'm holding on you
Know youÂ'll catch me when I fall
And I just canÂ't rely
Lean on myself and decide
Should I fight, trying to hide
Or letting go of all my desire

Bridge:
So why I need to walk away from you
If youÂ're the only way and truth
YouÂ're the only way and truth

I donÂ't want to live this life without you
Cause youÂ're the one that brings me hope
YouÂ're the light that brings me hope
