How many times did I get back  
You put me down  
How many words did you use to hurt  
I'm counted out

I don't hurt no more  
I'm just numb to it all  
I cried myself oblivious  
I just don't know what day it is

Oh and I feel your touch I fall apart  
And my feet just ain't moving  
Now I'm at the door  
I don't know what for  
I hear a voice inside me say go on

JUST WALK AWAY  
JUST WALK AWAY

I feel the sunshine on my face  
I know it's there  
Here come the tears falling down  
But do you care

I feel myself breathe again  
Now I'm not caving in  
Don't cry myself oblivious  
I seem to know what day it is

Oh and I feel your touch I fall apart  
And my feet just ain't moving  
Now I'm at the door  
I don't know what for  
I hear a voice inside me say go on

JUST WALK AWAY  
JUST WALK AWAY
