Can you tell me what you see when you look into my eyes?

Can you solve the mystery that I try so hard to hide from you?

Don't you be afraid of me I don't bite too hard
I promise you will enjoy the ecstasy that comes from me

The Sky's on fire

Don't you run away from me
I'll hunt you. I'll hunt you.
I promise you will enjoy
the ecstasy that comes from me
Don't run away from me
I'll hunt you. I'll hunt you.
I promise you will enjoy
the ecstasy that comes from me

Watching as you walk on by me you're my prey I'll stalk you
Closer still and I can hear your heart beat. It's racing.
Don't you be afraid of me I don't bite too hard
I promise you will enjoy the ecstasy that comes from me

The sky's on fire

Don't you run away from me
I'll hunt you. I'll hunt you.
I promise you will enjoy
the ecstasy that comes from me
Don't run away from me
I'll hunt you. I'll hunt you.
I promise you will enjoy
the ecstasy that comes from me

The sky's on fire
The sky's on fire
The sky's on fire

Run run as fast as you can
Run run as fast as you can
You can run but you can't hide
I promise I will make you mine
Run run as fast as you can
