Yeah you know I'm all black everything,
Married to the game all black wedding ring,
Always been repping for my all black team
Since I was a little boy and had all black dreams,
Now I'm rolling got the skills you never seen
I am the Mils Muliaina
Making hits for my team it's what I do
Hey, so tell me what you goner do, uhh!
What you goner do when I Ma'a Nonu you?
You know my skills Sonny Bill always hey. (x3)
I'm Cory Jane I run the track all day hey.
And you don't even have to say that I killed it
Just let them know that I am back Zac Guildford.
That's why you got to run harder and plan smarter,
Cause it's my turn to kick it Daniel Carter

All black everything black cards,
Blacks cars all black all all black everthing, all black
everthing. (x5)

Second phase, centre stage, watch the s flow,
AllBlacks yall know who the best bro!
All black everything is the dress code,
I'm going at them in my all black test mode,
And when I hit it there's only one way that I know,
I'm spitting every line hard Jerome Kaino,
It's my time so, don't even try to slow me down,
I'll run circles around them with a blind fold.
I never stop when I start I am like a carver ready
Keep them waiting like Isaia Toeava,
So I wouldn't even bother cause my team destined to
win it,
No we not English but we the best in it.
No limit too the heart it's all in passion,
No gimmicks just hard work and practice,
Now it's time to put the words into action,
And let them know who the best on the atlas,

It's all black everthing

All black everything black cards,
Blacks cars all black all all black everthing, all black
everthing. (x5)
