"Hotta Huns"

Visit "[Hotta Huns](#)" on MotoLyrics.com

Hot, hot, hot
Hot, hot, hot
Hot, hot, hot
Hot, hot, hot

I've got somethin' for errbody and her body
My jam motivates to move your body
Run shows like Irv Gotti and I'm sure naughty
Got it where it counts and bounce with your hottie
You're probably dumbfounded
Cuz I rocked your girl's world, each and every ounce
her lungs poundin'
Announcin' I'm the best in between breaths
If it's that time, then I'm in between breasts
So heel up, wheel up, bring it back, come rewind
I'm no Greek freak but I'll take her from behind
That's where my cock plays, cuz I cause shock waves
Grip them cheeks and let her bootie do the talking
"Oh, my God! Don't stop! Don't Stop!"
I rock the spot and yes, I rocked your spot
Now that's a lotta fun, but I gotta run
I've got a late-night rendezvous with some hotta huns

That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
I've got a late-night rendezvous with some hotta huns

That's a lotta fun, so I gotta run
That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
I've got a late-night rendezvous with some hotta huns

When I say hotter chick, I don't mean to politic
Those other girls, man I don't even bother with
Cuz I gotta lotta tip, and I gotta lotta grip
No ain't your baby daddy doin' the fatherin'
Holler then, because I'll serve you with a frothy stick
Anything lest than the best, "Who you talkin' with?"
If there's loose bootie in the spot, then I'm spottin' it
I give new meaning to the term, "V is rockin' it!"

Do me on the double and finish with a softer lick
When I run my mouth, my flow is hotter than a coffee
drip
Take your sweet tooth and wrap your lips around my
toffee stick
Girl, I got the goods. Take my wood and start hawkin' it
Try to run game on the V? Girl, I caution it.
If you got a wiggle in your waddle ? wobble, wobble it
Bring your backside 'round my way and let me ogle it
And when the clappin' sounds too loud then I soften
hits

That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
I've got a late-night rendezvous with some hotta hunns

That's a lotta fun, so I gotta run
That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
I've got a late-night rendezvous with some hotta hunns

Look at you, lookin' all cute with your fine ass
You've got flava, girl, sprinkle me with a nice dash
Lookin' for a ride? I'll steer you down the right path
Make your kitty purr, cuz you're messin' with the right
cat
Who's go the rights to you girl, cuz I'll sign that
You're my diamond girl, shining with a silver lining
Got to pay to play and I'll repay you in kind, Yeah!
I ain't takin' sides, but you know I'm on your side, Yeah!
If you got that feelin', then you know I'm on your side,
Yeah!
And if we're feelin' freaky, then I'll tweak it from the
side, Yeah!
Time is of the essence. Let's not let anymore time pass.
Love the lipstick your lips leave around the wine glass
Uncork the bottle ? pour it on you with a light splash
Take your clothes off and go soak up in my nice bath
Comin' long & hard, but I'm comin' with the right tact
And I know you like that, but I gotta run!

That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
I've got a late-night rendezvous with some hotta hunns

That's a lotta fun, so I gotta run
That's a lotta fun, but I gotta run
That's a lotta fun, but I gotta run
I've got a late-night rendezvous with some hotta hunns

Hot, hot, hot
Hot, hot, hot
Hot, hot, hot
Hot, hot, hot
